INDEPENDENT AUDITOR'S REPORT

To the Board of Directors of The Ounce of Prevention Fund of Florida, Inc. Tallahassee, Florida

Report on the Audit of the Financial Statements

Opinion

We have audited the accompanying financial statements of The Ounce of Prevention Fund of Florida, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements.

In our opinion, the financial statements present fairly, in all material respects, the financial position of The Ounce of Prevention Fund of Florida, Inc. as of June 30, 2023, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of The Ounce of Prevention Fund of Florida, Inc. and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Emphasis of Matter

As discussed in Note 2 to the financial statements, in fiscal 2023, The Ounce of Prevention Fund of Florida, Inc. adopted FASB ASC 842, Leases. Our opinion is not modified with respect to this matter.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about The Ounce of Prevention Fund of Florida, Inc.'s ability to continue as a going concern within one year after the date that the financial statements are available to be issued.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and *Government Auditing Standards*, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of The Ounce of Prevention Fund of Florida, Inc.'s internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about The Ounce of Prevention Fund of Florida, Inc.'s ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Supplementary Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards and state financial assistance, as required by Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, and Chapter 10.650, *Rules of the Auditor General of the State of Florida*, is presented for purposes of additional analysis and is not a required part of the financial statements. In addition, the matching report is presented for purposes of additional analysis and is not a required part of the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and

certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the schedule of expenditures of federal awards and state financial assistance and matching report are fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated February 13, 2024 on our consideration of The Ounce of Prevention Fund of Florida, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of The Ounce of Prevention Fund of Florida, Inc.'s internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering The Ounce of Prevention Fund of Florida, Inc.'s internal control of Florida, Inc.'s internal control over financial control over financial reporting or on compliance.

Note 1: DESCRIPTION OF THE ORGANIZATION

The Ounce of Prevention Fund of Florida, Inc. (the Ounce) is a not-for-profit research and development organization whose mission is to identify, evaluate, and fund innovative health, education and social services programs for children and families. The Ounce was incorporated in 1989.

The Ounce is a public/private partnership receiving funds for its programs from government grants and private contributions. Evaluation information for those programs that prove to be effective and cost efficient is shared with legislators and other policy and decision makers to assist the program in finding a source of permanent funding as well as enhancing the probability of replication in other communities. Similarly, data is shared regarding those programs that do not prove to be effective.

Currently, the Ounce is involved in the development, funding and implementation of several demonstration projects and public education initiatives throughout Florida.

A major role of the staff of the Ounce is assistance to local communities in the planning and development of innovative demonstration projects. Once a project is funded, the Ounce staff provides ongoing program development support and training to the local project. Because these are demonstration projects, the ongoing support services are critical to the project's effective implementation and growth. Although program development is provided primarily by the Ounce staff, training may be provided by the Ounce staff or individuals with expertise in specific areas identified by project staff. The Ounce also assists project staff in the development and identification of alternative funding sources.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Accounting

The accompanying financial statements have been prepared on the accrual basis of accounting in accordance with accounting principles generally accepted in the United States of America (U.S. GAAP). The Financial Accounting Standards Board (FASB) provides authoritative guidance regarding U.S. GAAP through the Accounting Standards Codification (ASC) and related Accounting Standards Updates (ASUs).

Use of Estimates

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting year. Actual results could differ from those estimates.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Program Services

The Ounce's program services consist of the following:

Healthy Families Florida – The Ounce provides a statewide system of voluntary, community-based home visitation services that strengthens families, promote positive parent-child relationships and optimize the health and development of children.

Ounce of Prevention Fund of Florida – The Ounce identifies, funds, supports, and tests innovative programs to improve the life outcomes of children, preserve and strengthen families, and promote health behavior and functioning in society.

Other programs – The Ounce is involved in various other programs to identify, fund, and evaluate health, education, and other social service programs.

Cash and Cash Equivalents

Cash and cash equivalents include cash and all highly liquid investments with an original maturity of 90 days or less.

Grants and Other Receivables

Grants and other receivables are stated at unpaid balances, less an allowance for doubtful accounts. The Ounce provides for losses on accounts receivable using the allowance method. The allowance is based on experience, third-party contracts, and other circumstances, which may affect the ability of grantors to meet their obligations. Receivables are considered impaired if full principal payments are not received in accordance with the contractual terms. It is the Ounce's policy to charge off uncollectible accounts receivable when management determines the receivable will not be collected. No allowance was deemed necessary by management at June 30, 2023.

Investments

The Ounce reports investments in marketable securities with readily determinable fair values and all investments in debt securities at their estimated fair values in the statement of financial position. Unrealized gains and losses are included in the change in net assets in the statement of activities. Ordinary investment income and realized and unrealized gains and losses are recorded in net assets without donor restrictions unless legal compliance or donor restrictions require their retention for a specific purpose. In this case, the ordinary investment income and realized and unrealized gains and losses are recorded in the net assets with donor restrictions. The estimated fair market values are determined based on the quoted market value of the securities.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Property and Equipment, Net

All acquisitions of property and equipment in excess of \$1,000 and all expenditures for maintenance, renewals, and betterments that materially prolong the useful lives of assets are capitalized. Repairs and maintenance are expensed as incurred. Property and equipment are carried at cost or, if donated, at the approximate fair value at the date of donation. Depreciation is computed using the straight-line method.

Leases

The Ounce leases its office space under an operating lease. The Ounce determines if an arrangement is a lease at inception. Operating leases are included in operating lease right-of-use (ROU) assets and operating lease liabilities in the statements of financial position.

ROU assets represent the Ounce's right to use an underlying asset for the lease term and lease liabilities represent the Ounce's obligation to make lease payments arising from the lease. Operating lease ROU assets and liabilities are recognized at the commencement date based on the present value of lease payments over the lease term. As most of the leases do not provide an implicit rate, the Ounce uses its incremental borrowing rate based on the information available at the commencement date in determining the present value of lease payments. The operating lease ROU asset also includes any lease payments made and excludes lease incentives. The lease terms may include options to extend or terminate the lease when it is reasonably certain that the Ounce will exercise that option. Lease expense for lease payments is recognized on a straight-line basis over the lease term.

The lease agreements do not contain any material residual value guarantees or material restrictive covenants.

Net Assets

The Ounce reports information regarding its financial position and activities according to two classes of net assets that are based upon the existence or absence of restrictions on use that are placed by its donors: net assets without donor restrictions and net assets with donor restrictions.

Net assets without donor restrictions are resources available to support operations and not subject to donor restrictions. The only limits on the use of net assets without donor restrictions are the broad limits resulting from the nature of the Ounce, the environment in which it operates, the purposes specified in its corporate documents and its application for tax-exempt status, and any limits resulting from contractual agreements with creditors and others that are entered into in the course of its operations. The governing board has designated, from net assets without donor restrictions, net assets for a liquidity reserve.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Net Assets (continued)

Net assets with donor restrictions are resources that are subject to donor-imposed restrictions. Some restrictions are temporary in nature, such as those that are restricted by a donor for use for a particular purpose or in a particular future period. Other restrictions may be perpetual in nature; such as those that are restricted by a donor that the resources be maintained in perpetuity.

When a donor's restriction is satisfied, either by using the resources in the manner specified by the donor or by the passage of time, the expiration of the restriction is reported in the financial statements by reclassifying the net assets from net assets with donor restrictions to net assets without donor restrictions.

Revenue Recognition

Private contracts are recognized as revenue when performance obligations under the terms of the contracts with customers are satisfied.

Contributions are recognized when cash, other assets, an unconditional promise to give, or notification of a beneficial interest is received. Conditional promises to give are not recognized until the conditions on which they depend have been substantially met or the donor has explicitly released the restriction. Contributions received with donor-imposed restrictions that are met in the same year in which the contributions are received are classified as net assets without donor restrictions.

The Ounce performs administrative services for specified agencies under state and federal grant agreements, primarily with the Florida Department of Children and Families (DCF) and Florida Department of Health (DOH). These services are provided by the Ounce under a fixed price agreement based on units of service delivered. The contracts are performance-based with specified program outputs and evaluation measures. No commensurate value is received by DCF or DOH in return as the Ounce's services are provided to the agencies and ultimately the general public. Based on these factors, grants are considered conditional contributions and revenues are recognized as allowable costs for services are incurred.

In-Kind Contributions

Recognized donated services for the Ounce are reported in the period donated as in-kind contributions within the statement of activities. Recognized donated services include services that require specialized skills that are provided by entities or persons possessing those skills, and would need to be purchased if they were not donated. Services, which consist primarily of media airtime related to public service announcements, are reported at the fair market value of the airtime provided. These services were primarily used as part of the Ounce of Prevention Fund of Florida, Inc. program.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Functional Allocation of Expenses

Directly identifiable expenses are charged to programs and supporting services. Expenses related to payroll, payroll taxes, and employee benefits are allocated based on actual percentages of time spent in each functional area. Expenses related to maintenance and upkeep of the entire facility are allocated across functional areas based on a fixed percentage.

Fundraising

Resource development on the statement of activities represents the Ounce's cost of fundraising efforts.

Income Taxes

The Ounce has received a determination letter from the Internal Revenue Service for exemption from income taxes except for taxes on unrelated business income under Section 501(c)(3) of the Internal Revenue Code, and has been classified as an other-than-private foundation. The Ounce utilizes the accounting requirements associated with uncertainty in income taxes using the provisions of Financial Accounting Standards Board (FASB) ASC 740, *Income Taxes*. Using that guidance, tax positions initially need to be recognized in the financial statements when it is more-likely-than-not the positions will be sustained upon examination by the tax authorities. It also provides guidance for derecognition, classification, interest and penalties, accounting in interim periods, disclosure and transition. As of June 30, 2023, the Ounce has no uncertain tax positions that qualify for either recognition or disclosure in the financial statements.

Subsequent Events

Management has evaluated subsequent events through the date that the financial statements were available to be issued, February 13, 2024. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

Recent Accounting Pronouncements

In February 2016, the Financial Accounting Standards Board (FASB) issued guidance (Accounting Standards Codification [ASC] 842, Leases) to increase transparency and comparability among organizations by requiring the recognition of ROU assets and lease liabilities on the statement of financial position. Most prominent among the changes in the standard is the recognition of ROU assets and lease liabilities by lessees for those leases classified as operating leases. Under the standard, disclosures are required to meet the objective of enabling users of financial statements to assets the amount, timing, and uncertainty of cash flows arising from leases.

The Ounce adopted the standard effective July 1, 2022 and recognized and measured leases existing at, or entered into after, July 1, 2022 (the beginning of the period of adoption) through a cumulative effect adjustment, with certain practical expedients available.

Note 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Recent Accounting Pronouncements (continued)

The Ounce elected the available practical expedients to account for existing operating leases as operating leases under the new guidance, without reassessing (a) whether the contracts contain leases under the new standard, (b) whether classification of operating leases would be different in accordance with the new guidance, or (c) whether the unamortized initial direct costs before transition adjustments would have met the definition of initial direct costs in the new guidance at lease commencement.

As a result of the adoption of the new lease accounting guidance, the Ounce recognized on July 1, 2022, a lease liability of \$887,403, which represents the present value of the remaining operating lease payments of \$955,067, discounted using the Ounce's incremental borrowing rate of 4.75%, and a right-of-use asset of \$887,403.

The most significant impact of the implementation was the recognition of ROU assets and lease liabilities for operating leases on the statement of financial position.

Note 3: LIQUIDITY AND AVAILABILITY OF FINANCIAL ASSETS

The Ounce maintains its financial assets primarily in cash and cash equivalents and investments to provide liquidity to ensure funds are available as the Ounce's expenditures come due. The following reflects the Ounce's financial assets as of the statement of financial positon date, reduced by amounts not available for general use within one year of the statement of financial positon date because of contractual or donor-imposed restrictions.

June 30,	2023
	<u> </u>
Total assets, at year-end	\$ 11,541,190
Less non-financial assets:	
Prepaid expenses	(204,655)
Property and equipment, net	(23,507)
Operating lease right-of-use assets, net	(605,379)
Financial assets available to meet cash needs for general expenditures within one	
year	\$ 10,707,649

As part of the Ounce's liquidity management, it has a policy to structure its financial assets to be available as its general expenditures, liabilities, and other obligations come due. The board periodically designates a portion of any operating surplus to its liquidity operating reserve, which was \$1,655,229 as of June 30, 2023. The reserves may be drawn upon, after board authorization, in the event of financial distress or an immediate liquidity need resulting from events outside the typical life cycle of converting financial assets to cash or settling financial liabilities.

Note 4: GRANTS AND OTHER RECEIVABLES

Amounts due from the State of Florida include amounts receivable under grant agreements between the Ounce and the State of Florida. Other receivables include amounts receivable under grant agreements between the Ounce and other organizations. Management believes that these amounts are fully collectible. Therefore, no allowance for doubtful accounts is considered necessary.

Note 5: INVESTMENTS

Investments in marketable securities consist of the following:

		Cost	st Market Value	
Debt and equity securities	\$	899,820	\$	1,354,776
Total investments	Ś	899,820	Ś	1,354,776

Note 6: PROPERTY AND EQUIPMENT, NET

The components of property and equipment at June 30, 2023 are as follows:

	Estimated Useful		
June 30	Lives (in years)		2023
Furniture and equipment	3 - 10	\$	238,197
Leasehold improvements	4		17,000
Total property and equipment			255,197
Less accumulated depreciation			(231,690)
Property and equipment, net		\$	23,507

Depreciation expense for the year ended June 30, 2023 was \$12,851.

In accordance with the terms of the State of Florida contracts, title to property and equipment purchased with contract funds shall be vested with the State upon termination of the applicable contract.

Note 7: LEASES

The Ounce has an operating lease for office space. The lease has a remaining lease term of 2 years.

The components of lease expense consist of the following:

For the years ended June 30,	2023
Operating lease cost	\$ 305,973

Weighted average remaining lease term and discount rates consist of the following:

For the year ended June 30,		2023
Weighted average remaining lease term		2
Operating leases		2 years
Weighted average discount rate		
Operating leases		4.75%
Future minimum lease payments under non-cancellable leases as of Ju	ine 30, 2023, were a	s follows:
For the years ending June 30,	Operat	ing Leases
2024	\$	318,192
2025		330,920
Total future minimum lease payments		649,112
rotar ratare minimum lease payments		(21 221)
Less imputed interest		(31,331)

Operating lease liabilities are presented in the statement of financial position as follows:

June 30,	 2023
Current portion of operating lease liabilities	\$ 295,383
Operating lease liabilities, less current portion	322,398
Present value of lease liabilities	\$ 617,781

Note 8: NET ASSETS

A summary of net assets without donor restrictions follows:

June 30	2023
Undesignated	\$ 501,945
Board designated	
Liquidity reserve	1,655,229
Total net assets without donor restrictions	\$ 2,157,174

Note 9: REVENUE

The Ounce's primary revenue source is from state and federal grants. The Ounce's revenue from contracts with customers primarily relates to private corporations, trusts, and foundations.

Revenue for private contracts is recognized as services are provided to customers over the contract period, where revenue is recognized for the goods or services at the point when the related expense is incurred.

Disaggregated Revenue

A summary of disaggregated revenue information follows:

For the year ended June 30,	2023
Revenue from contracts with customers Recognized at a point in time	
Private contracts	\$ 1,206,276
Other revenue and support	
Grant revenue	34,202,707
In-kind contributions	5,782,037
Contributions	205,598
Interest and other income	273,905
Total revenue and other support	\$ 41,670,523

Note 9: REVENUE (Continued)

Contract Balances

June 30,	2023
Receivable from contracts, beginning of year	\$ 109,818
Receivable from contracts, end of year	\$ 140,302

Receivable from contracts is presented as other receivables in the statement of financial position.

Note 10: IN-KIND CONTRIBUTIONS

A summary of in-kind contributions follows for the year ended June 30, 2023:

Program or Supporting Service	Media Total			
Ounce of Prevention Fund of Florida program Other programs				4,515,328 1,266,709
Total	\$	5,782,037	\$	5,782,037

All donated services were utilized by the Ounce's programs and supporting services. There were no donor-imposed restrictions associated with the donated services. Donated services, which consist primarily of media airtime related to public service announcements, are reported at the fair market value of the airtime provided.

Note 11: FAIR VALUE MEASUREMENTS

Fair value is the exchange price that would be received for an asset or paid to transfer a liability (exit price) in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. There are three levels of inputs that may be used to measure fair values:

Level 1: Quoted prices (unadjusted) for identical assets or liabilities in active markets that the entity has the ability to access as of the measurement date.

Note 11: FAIR VALUE MEASUREMENTS (Continued)

Level 2: Significant other observable inputs other than Level 1 prices, such as:

- Quoted prices for similar assets or liabilities in active markets;
- Quoted prices for identical or similar assets or liabilities in inactive markets;
- Inputs, other than quoted prices, that are:
 - observable; or
 - can be corroborated by observable market data.

If the asset or liability has a specified (contractual) term, the Level 2 input must be observable for substantially the full term of the asset or liability.

Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The asset or liability's fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the fair value measurement. Valuation techniques maximize the use of relevant observable inputs and minimize the use of unobservable inputs.

Following is a description of the valuation methodologies used for assets measured at fair value. There have been no changes in the methodologies used at June 30, 2023.

Corporate bonds and U.S. treasury notes: Valued using pricing models maximizing the use of observable inputs for similar securities. This includes basing value on yields currently available on comparable securities of issuers with similar credit ratings.

Mutual funds: Valued at the daily closing price as reported by the fund. Mutual funds held by the Ounce are open-end mutual funds that are registered with the SEC. These funds are required to publish their daily NAV and to transact at that price. The mutual funds held by the Ounce are deemed to be actively traded.

The preceding methods described may produce a fair value calculation that may not be indicative of net realizable value or reflective of future fair values. Furthermore, although the Ounce believes its valuation methods are appropriate and consistent with other market participants, the use of different methodologies or assumptions to determine fair value of certain financial instruments could result in different fair value measurements at the reporting date.

Note 11: FAIR VALUE MEASUREMENTS (Continued)

Assets and liabilities measured at fair value on a recurring basis, are summarized for the year ended June 30, 2023:

	l	_evel 1	Level 2	Level 3	Total
Corporate bonds	\$ 7	73,055 \$	- \$	- \$	73,055
U.S. treasury notes	42	28,277	-	-	428,277
Mutual funds	85	53,444	-	-	853,444
Total investments at fair value	\$ 1,35	54,776 \$	- \$	- \$	1,354,776

Changes in Fair Value Levels

The availability of observable market data is monitored to assess the appropriate classification of financial instruments within the fair value hierarchy. Changes in economic conditions or modelbased valuation techniques may require the transfer of financial instruments from one fair value level to another. In such instances, the transfer is reported at the beginning of the reporting period.

Management evaluated the significance of transfers between levels based upon the nature of the financial instrument and size of the transfer relative to total assets. For the year ended June 30, 2023, there were no significant transfers in or out of Levels 1, 2 or 3.

Note 12: CONCENTRATIONS OF RISK

The Ounce maintains cash with financial institutions in excess of the FDIC limit. At June 30, 2023, the Ounce's deposits exceeded FDIC coverage by \$3,983,666.

During the year ended June 30, 2023, the Ounce received grant revenues of approximately \$30,664,761 from the Florida Department of Children and Families. At June 30, 2023, the Ounce had \$3,907,235 receivable under grant agreements with the Florida Department of Children and Families.

Note 13: COMMITMENTS

Subrecipients

As of and subsequent to June 30, 2023, the Ounce executed grant agreements totaling \$37,560,468 with subrecipients for the fiscal year ending June 30, 2024. These subrecipients will perform services in accordance with grants received from the State of Florida's Department of Health, Department of Children and Families, and Department of Education.

Note 14: RETIREMENT PLAN

The Ounce maintains a 403(b) plan on behalf of all full-time employees. The Ounce contributes 5% of each full-time employee's annual salary to the plan. If the employee contributes up to 5% of their annual salary to the plan, the Ounce will match the employee's contribution to the plan. Total contributions to the 403(b) plan totaled \$195,398 for the year ended June 30, 2023.

Note 15: RELATED PARTIES

In-kind contributions of media airtime related to public service announcements were donated by an entity who is represented on the Ounce's Board of Directors by a key member of its management. For the year ended June 30, 2023, amounts from this entity totaled \$5,607,037 of the total \$5,782,037 in-kind contributions reported in the statement of activities. The Ounce paid \$300,000 to the entity for media airtime during the fiscal year. There were no amounts due from or due to related parties as of June 30, 2023.

INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Directors of The Ounce of Prevention Fund of Florida, Inc. Tallahassee, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of The Ounce of Prevention Fund of Florida, Inc. (a nonprofit organization), which comprise the statement of financial position as of June 30, 2023, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated February 13, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered The Ounce of Prevention Fund of Florida, Inc.'s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of The Ounce of Prevention Fund of Florida, Inc.'s internal control. Accordingly, we do not express an opinion on the effectiveness of the Ounce's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether The Ounce of Prevention Fund of Florida, Inc.'s financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Ounce's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR FEDERAL PROGRAM AND STATE PROJECT AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE AND CHAPTER 10.650, RULES OF THE AUDITOR GENERAL

To the Board of Directors of The Ounce of Prevention Fund of Florida, Inc. Tallahassee, Florida

Report on Compliance for Each Major Federal Program and State Project

Opinion on Each Major Federal Program and State Project

We have audited The Ounce of Prevention Fund of Florida, Inc.'s compliance with the types of compliance requirements identified as subject to audit in the OMB *Compliance Supplement* and the requirements described in the Department of Financial Services' State Projects *Compliance Supplement* that could have a direct and material effect on each of The Ounce of Prevention Fund of Florida, Inc.'s major federal programs and state projects for the year ended June 30, 2023. The Ounce of Prevention Fund of Florida, Inc.'s major federal programs and state projects are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

In our opinion, The Ounce of Prevention Fund of Florida, Inc. complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs and state projects for the year ended June 30, 2023.

Basis for Opinion on Each Major Federal Program and State Project

We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance); and Chapter 10.650, *Rules of the Auditor General*. Our responsibilities under those standards, the Uniform Guidance, and Chapter 10.650 are further described in the Auditor's Responsibilities for the Audit of Compliance section of our report.

We are required to be independent of The Ounce of Prevention Fund of Florida, Inc. and to meet our other ethical responsibilities, in accordance with relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion on compliance for each major federal program and state project. Our audit does not provide a legal determination of The Ounce of Prevention Fund of Florida, Inc.'s compliance with the compliance requirements referred to above.

Responsibilities of Management for Compliance

Management is responsible for compliance with the requirements referred to above and for the design, implementation, and maintenance of effective internal control over compliance with the requirements of laws, statutes, regulations, rules, and provisions of contracts or grant agreements applicable to The Ounce of Prevention Fund of Florida, Inc.'s federal programs and state projects.

Auditor's Responsibilities for the Audit of Compliance

Our objectives are to obtain reasonable assurance about whether material noncompliance with the compliance requirements referred to above occurred, whether due to fraud or error, and express an opinion on The Ounce of Prevention Fund of Florida, Inc.'s compliance based on our audit. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650 will always detect material noncompliance when it exists. The risk of not detecting material noncompliance resulting from fraud is higher than for that resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Noncompliance with the compliance requirements referred to above is considered material if there is a substantial likelihood that, individually, or in the aggregate, it would influence the judgment made by a reasonable user of the report on compliance about The Ounce of Prevention Fund of Florida, Inc.'s compliance with the requirements of each major federal program and state project as a whole.

In performing an audit in accordance with generally accepted auditing standards, *Government Auditing Standards*, the Uniform Guidance, and Chapter 10.650, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material noncompliance, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding The Ounce of Prevention Fund of Florida, Inc.'s compliance with the compliance requirements referred to above and performing such other procedures as we considered necessary in the circumstances.
- Obtain an understanding of The Ounce of Prevention Fund of Florida, Inc.'s internal control over compliance relevant to the audit in order to design audit procedures that are appropriate in the circumstances and to test and report on internal control over compliance in accordance with the Uniform Guidance and Chapter 10.650, but not for the purpose of expressing an opinion on the effectiveness of The Ounce of Prevention Fund of Florida, Inc.'s internal control over compliance. Accordingly, no such opinion is expressed.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and any significant deficiencies and material weaknesses in internal control over compliance that we identified during the audit.

Report on Internal Control over Compliance

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program or state project on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies is a deficiency, or a combination of over compliance with a type of compliance requirement of a federal program or state project will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program or state project that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the Auditor's Responsibilities for the Audit of Compliance section above and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies in internal control over compliance. Given these limitations, during our audit we did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that we consider to be material control over compliance that we consider to be material weaknesses, as defined above. However, material weaknesses or significant deficiencies in internal control over compliance that were not identified.

Our audit was not designed for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, no such opinion is expressed.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance and Chapter 10.650. Accordingly, this report is not suitable for any other purpose.

SUPPLEMENTARY INFORMATION

The Ounce of Prevention Fund of Florida, Inc. Matching Report

The Ounce of Prevention Fund of Florida, Inc. reports media match to the Florida Department of Health as part of the COHS4 grant agreement. Grant COHS4 with the Florida Department of Health is a one-year grant totaling \$1,900,000 for the term of July 1, 2022 to June 30, 2023. The grant provides \$250,000 for statewide public education campaigns on television and radio. Leveraging these dollars, the 2022-2023 General Appropriations Act (House Bill 5001), Section 3, line item 448 directs The Ounce of Prevention Fund of Florida, Inc. to contract with a not-for-profit corporation that provides matching funds in a three to one ratio for this purpose.

The Ounce of Prevention Fund of Florida, Inc. Notes to Schedule of Expenditures of Federal Awards and State Financial Assistance Year ended June 30, 2023

Note 1: BASIS OF PRESENTATION

The accompanying schedule of expenditures of federal awards and state financial assistance includes the federal and state grant activity of The Ounce of Prevention Fund of Florida, Inc. The information in the schedule is presented in accordance with the requirements of Title 2 U.S. *Code of Federal Regulations (CFR)* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, Audits of States, Local Governments, and Non-Profit Organizations,* and Chapter 10.650, *Rules of the Auditor General.* Therefore, some amounts presented in this schedule may differ from amounts presented in, or used in the presentation of, the basic financial statements.

For purposes of the schedule, federal and state awards include all grants, contracts, and similar agreements entered into directly with the federal government and State of Florida and other pass through entities. The Ounce of Prevention Fund of Florida, Inc. has obtained Assistance Listing Numbers to ensure that all programs have been identified in the schedule.

Federal programs with different Assistance Listing Numbers that are closely related because they share common compliance requirements are defined as a cluster by the Uniform Guidance.

Note 2: BASIS OF ACCOUNTING

The schedule was prepared on the modified accrual basis of accounting. Fixed assets are included in the schedule in the period in which they are purchased and placed in service. Depreciation expense is not included in the schedule.

Note 3: INTEREST EARNED

Interest earned on certain grant funds are applied to the applicable program. Therefore, certain grant expenditures may exceed the award amount.

Note 4: CONTINGENCIES

Grant monies received and disbursed by The Ounce of Prevention Fund of Florida, Inc. are subject to review by the grantor agencies. Such audits may result in requests for reimbursement due to disallowed expenditures. Based upon prior experience, The Ounce of Prevention Fund of Florida, Inc. does not believe that such disallowance, if any, would have a material effect on the financial position of The Ounce of Prevention Fund of Florida, Inc. As of June 30, 2023, there were no material questioned or disallowed costs as a result of grant audits in process or completed.

The Ounce of Prevention Fund of Florida, Inc. Notes to Schedule of Expenditures of Federal Awards and State Financial Assistance Year ended June 30, 2023

Note 5: NONCASH ASSISTANCE

The Ounce of Prevention Fund of Florida, Inc. did not receive any federal or state noncash assistance for the fiscal year ended June 30, 2023.

Note 6: INDIRECT COST RATE

The Ounce of Prevention Fund of Florida, Inc. has elected not to use the 10% de minimis indirect cost rate allowed under the Uniform Guidance.

Note 7: FEDERALLY FUNDED INSURANCE

The Ounce did not receive federally funded insurance during the fiscal year ended June 30, 2023.

Note 8: FEDERALLY FUNDED LOANS

The Ounce has no federally funded loans as of June 30, 2023. No funds were expended in the form of loan or loan guarantees during the fiscal year ended June 30, 2023.

The Ounce of Prevention Fund of Florida, Inc. Schedule of Findings and Questioned Costs Year ended June 30, 2023
